Mr. Michael Blease
Secretary General
Football Federation of Belize
26 Hummingbird Hwy
P.O. Box 1742
City of Belmopan

Dear Mr. Blease,

Further to my letter dated 16th October 2015, and the subsequent legal advice received on Saturday November 28, 2015 from Attorney Michael Peyrifitte.

The Football Federation of Belize appeals Board hereby overturn the decision taken by the Premier League of Belize (PLB) Protest Board in connection with a PLB match between Belmopan Bandits and the Verdes F.C. on August 30th, 2015.

This decision is based on the fact that only regulations registered with UNCAF are binding for the league competitions at the start of the tournament. As a result Verdes Management went against the tournament rules for the said match by having more than three (3) Foreign Players on the field at the same time, during the football match.

Sincerely,

RUDOLPH GENTLE
CHAIRMAN
FFB Appeals Board
